

## TM60

### Medium Manual Tilt Mount

Our TM60 medium tilt mount is the latest mounting technology for flat panel TVs. Tilt Balance feature coupled with our unique Stabilization Technology allows for effortless viewing adjustments and eliminates the need to loosen or tighten knobs to lock the TV in place. Open wall plate allows for easy cable and wire management. Lateral shift allows desired TV centering position. TM60 has a slim 1.75" profile and user-friendly design which is perfect for today's slim TVs.
